Land Acknowledgement

We recognize that UC Berkeley sits on the territory of Huichin, the ancestral and unceded land of the Chochenyo Ohlone, the successors of the historic and sovereign Verona Band of Alameda County. This land was and continues to be of great importance to the Ohlone people. We recognize that every member of the Berkeley community has, and continues to benefit from the use and occupation of this land since the institution’s founding in 1868. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the university's relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold the University of California, Berkeley more accountable to the needs of American Indian and Indigenous peoples.

Diversity, Equity, Inclusion, Belonging & Justice (DEIBJ)

People deserve to be treated with consideration, regardless of their gender, ethnicity, physical appearance, sexual orientation, or political and religious outlook.

It is important for UC Berkeley to maintain a climate for intellectual activity that is collegial, respectful, and conducive to focused and productive inquiry. Attitudes and behavior that are hostile or demeaning to members of our community, or that detract from the ability of our students, staff, and colleagues to focus effectively on their work are not appropriate.

Sexual harassment, racial discrimination, and targeted hostility have no place in a well-regulated community, whatever its nature.

Holidays (Day Off)

- Contract includes standard 13 paid University observed holidays where the campus is closed for regular business (day off).
- If required to work on a holiday, a postdoc may request another day off (best done via email for your records).
- See List of University-Paid Holidays - Academic Calendar:
  http://guide.berkeley.edu/academic-calendar/
Personal Time Off (PTO)

Eligibility for pay during time off for Postdoc-Fellows and Postdoc-Paid Direct is dependent on the funding agency. All postdocs get **24 days per year** of time off to use at any time in one-day increments (PTO or Personal Time Off), in addition to the 13 paid holidays.

Unused time off cannot be carried forward to another contract year and cannot be paid out - so be sure to use them!

Record keeping for time off varies from unit to unit. Check with your department administrator for details.
Sick Leave

- Postdocs are eligible for 12 days of sick leave per 12-month appointment
- Can be used for absence due to one’s own personal or family member’s illness
- All 12 days are available for use as of the appointment begin date
- Unused sick leave can be carried forward to other UC appointments (beyond postdoc), such as ladder-rank professor or researcher, at UCB or another UC campus
Parental Leave

- All new parents are eligible for four weeks of Paid Parental Leave, which can be used all at once or in increments any time within the first year after the birth or placement of a child (adoption).

- Birth mothers are also eligible to use Short Term Disability insurance paid at 70% of salary for Pregnancy Disability Leave.
Compensation Minimum Levels

- Compensation level is based on the NIH National Research Service Award (NRSA) salary scale which is based on years of experience steps. While salary increments are based on the steps of the NIH/NSRA scale, the bottom of the UC postdoc salary scale (level 0) is the same as level 2 on the NIH scale.
- Postdocs can be paid more than the minimum level
- PIs must give at least 2% increase upon reappointment or upon appointment anniversary date
